In consideration of the above recitals and the mutual promises, covenants, and conditions in this Agreement, the parties agree as follows:

### **SECTION 1. AT-WILL EMPLOYMENT STATUS**

A. **Employee's** employment with the City is employment at the sole will, discretion, and pleasure of the **Manager**. The **Manager** may remove the **Employee** at any time, with or without cause. Nothing in this Agreement or in any other document shall limit the right of **Employee** or the **Manager** to terminate the at-will employment relationship.

B. **Employee's** employment status with the City shall remain at-will as defined by California law regardless of the length of employment or representation(s) of continued employment by any agent or employee of the City.

Nothing in this Agreement shall be construed as requiring **City** to establish or continue any particular plans in the discharge of its obligations under this Agreement.

H. **Employee** shall generally be entitled to annual performance evaluations and review of compensation; however, failure to evaluate **Employee** on an annual basis shall not be considered a breach of this Agreement.

#### **SECTION 4. TERMINATION AND SEVERANCE PAY**

B. **City** shall pay for the travel and subsistence expenses of the **Employee** for official travel, meetings, short courses, institutes, seminars, and occasions reasonably necessary to continue the professional development of **Employee** and to reasonably pursue necessary official and other functions of the **City**, subject to budgetary constraints.

## SECTION 6. ARBITRATION OF DISPUTE

A. In the event of any dispute involving any provision of this Agreement, or any dispute regarding **Employee's** employment with the **City** or termination from the **City** (with the exception of claims for workers' compensation, unemployment insurance and any matter within the original jurisdiction of the California Labor Commissioner), including, but not limited to, a claim of constructive discharge, retaliation, wrongful termination, discrimination, or harassment, **Employee** and the **City** agree to submit any such dispute to non-binding arbitration, pursuant to the provisions of the California Code of Civil Procedure, commencing at Sections 1280 et seq. (or any successor or replacement statutes).

B. **Employee** shall have the opportunity to seek all relief that would otherwise be available in law or equity.

C. The arbitration provision shall not relieve **Employee** of obligation to timely pursue an administrative or governmental tort claim within the jurisdiction of any administrative or public agency (e.g., the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the City of Fresno, etc.) before asserting any such claim against the **City**.

D. If **Employee** and the **City** are unable to agree on the selection of a neutral arbitrator, the **City** at its discretion and cost, shall obtain a list of at least three arbitrators from the State Mediation and Conciliation Service or American Arbitration Association. **Employee** (first) and then the **City**, will alternately strike names from the list until only one (1) name remains; the remaining person shall be the arbitrator. Arbitration proceedings shall be held in California at a location mutually convenient to the **Employee** and the **City**, but not outside of Fresno County unless mutually agreed to by the **Employee** and the **City**.

E. **Employee** and the **City** agree that each party shall be entitled to pursue discovery, including written discovery and depositions, which is sufficient to adequately arbitrate their claims. However, absent consent from the arbitrator for good cause shown, discovery initiated by each party shall not exceed three (3) depositions, 35 interrogatories, 35 requests for production and 35 requests for admissions, save and except requests to authenticate any document. The arbitrator shall hear and resolve any discovery disputes between the parties, and is empowered to award discovery sanctions pursuant to the California Code of Civil Procedure.

F. Following a hearing conducted by the arbitrator, in a manner mutually agreed to by the parties or as determined by the arbitrator, the arbitrator shall issue a written opinion and award, if applicable, which shall be signed and dated. The arbitrator shall be permitted to award only those remedies in law or equity which are requested by the parties and which the arbitrator determines to be supported by credible, relevant evidence.

G. The arbitrator's opinion will be subject to judicial enforcement or review pursuant to California Code of Civil Procedure Sections 1285 et seq.

H. Except as provided by statute, **Employee** and the **City** shall each bear their own costs incurred for legal representation as part of any such arbitration. The **City** shall bear all reasonable costs of the arbitrator, court reporter, if any, and any related costs of arbitration, except to the extent that **Employee** would have been required to pay such costs (e.g., filing fees, court reporting fees at deposition and at trial, or discovery sanctions) if said claim were to be litigated in a court of law.

I. **Employee** and the **City** hereby agree that this Section 6 shall survive the termination of **Employee's** employment and shall survive the termination and/or expiration of this Agreement.

J. The failure or delay of **City** at any time or times to require performance of, or to exercise any of its power, rights or remedies with respect to any term or provision of this Agreement or any other aspect of **Employee's** conduct or employment in no manner (except as otherwise expressly provided herein) shall affect **City's** right at a later time to enforce any such term or provision.
